

# The Love Song of Love Songs

I Will Always Love You

Woman

Fly Me to the Moon

Breathe

I'll Be There

Wonderful Tonight

Your Song

You Are So Beautiful

Open Arms

Always on My Mind

Nothing Compares 2 U

I Got U Babe

How Deep Is Your Love

You're the One That I Want

Maybe I'm Amazed

Let's Get It On

Love Me Tender

You Are the Sunshine of My Life

She's Got a Way

In Your Eyes

I Don't Want to Miss a Thing

Unforgettable

Endless Love

Babe

My Heart Will Go On

Because You Loved Me

I Honestly Love You

If You Leave Me Now

At Last

You Don't Bring Me Flowers

Unchained Melody

You're in My Heart

*The Greatest Love Song of All*
